

A large, stylized graphic of a sphere or lens with a bright yellow highlight, partially overlapping the top left corner of the page. The word "Ivory" is written in a bold, yellow, sans-serif font with a black outline, positioned in the center of the sphere. To the right of "Ivory", the tagline "Controlling the Engineer's Image" is written in a smaller, blue, italicized sans-serif font.

Ivory *Controlling the Engineer's Image*

AEH offers single-seat licenses for the use of the **Ivory Optomechanical Modeling Tools**. The initial license fee includes one year of maintenance and technical support.

AEH also makes available maintenance and technical support to the licensed **Ivory** user in subsequent years.

To inquire about a license for the **Ivory Optomechanical Modeling Tools** contact AEH:

v: 626/791-2243
